- Fall tryout registrations are low compared to Fall 2023, currently registered at 63% of last years numbers, hoping for a big pickup as we close in on 6/4 tryout date

Softball Travel Update

- Spring season is wrapping up in the next 2 weeks

- Summer season: registration is closed. We presently have 3 teams / 1 for each grouping at: 8U, 10U and 12U. 14U is in flux as it was in Spring. Working to see if there's a possibility to group the D2 Parkway league High School team could merge to create a team - the biggest issue that exists is pitching.
- On the pitching note, we are forgoing 12U Hershey this season. The team's pitchers are unavailable this particular weekend for the tournament this summer. Therefore, we're going to pursue regional tournaments throughout the season. As we're still finding stride with this experience - we are discussing with the travel committee the idea of making Hershey an every other year tournament.
- We are looking to hold softball assessments the 2nd week of June (June 9th) for the upcoming Fall season travel team formation. Emails should be delivered this week.
